### Company We Served !

## Submersible Steel Pipe

- We are making pipe which is use in submersible pump.
- Pipe for: V2, V3, V4, V6, V8, V9 and Openwell.
- Specialized in cut length as per parties requirements.

### Product Range of submersible pipe:

- Pump Pipe
- Motor Body
- Slotted Pipe
- Grooved Pipe
- Threading Pipe

### Specifications:

- Pipe Thickness: 1.2 mm to 2.5 mm.
- Pipe Length: 50 mm to 6000 mm.
- Pipe ID: 65 mm ID to 500 mm ID
- Grade of Pipe: 202 Jt, J4, 304, 316, 316L.
- Capacity: 400 Tons Per Month.
- Material: Made by Jindal Coil

## Motor Body

By keeping track with the technological development, we are offering optimum quality Motor Body Pipe that is specially designed for water pipe lines. The offered pipe is manufactured by our adroit professionals using premium quality raw material and ultra modern technology that assures its high durability. We also provide this pipe with several customizations to cater specific requirement of our clients. Apart from this, the offered pipe is easily available in the market at affordable price.

### Features:

- Excellent Finish
- Rigid Construction
- Resistance against Chemical

### Specifications:

- V3, V4, V6, and V9
- Thickness 1.2 and 1.5mm
- 70mm, 70.5mm, 82mm, 90mm, 92mm, 92.5mm, 105mm, 130mm, 137mm, 138mm, 180mm etc pipe

## Grooved Motor Pipe

Being a well established client oriented organization, we bring forth a premium quality Grooved Motor Pipe for our respected clients. We manufacture this motor body using best-in-class quality raw material and the latest technology at our technically sound manufacturing unit. After production of this motor body, a team of quality controllers firmly test it on diverse quality parameters to ensure its high strength and quality. Beside this, we offer this motor body at cost effective prices to our clients.

### Features:

- Heat resistance
- Sturdiness
- Slotted Pipe
- Easy to install

### Specifications:

- V3, V4, V6, and V9
- Thickness 1.2 and 1.5mm
- 70mm, 70.5mm, 82mm, 90mm, 92mm, 92.5mm, 105mm, 130mm, 137mm, 138mm, 180mm etc pipe

## Slot & Stripped Pipe

The offered V3 Slot Patti Pump is available in the market in bulk. It is extensively used in different industries such as chemical, for plumbing in various places, for manufacturing the Step Nipples, etc. These products are of world class quality and highly durable in nature.

### Product Range of submersible pipe:

- Pump Pipe
- Motor Body
- Slotted Pipe
- Grooved Pipe
- Threading Pipe

### Specifications:

- V3, V4, V6, and V9
- Thickness 1.2 and 1.5mm
- 70mm, 70.5mm, 82mm, 90mm, 92mm, 92.5mm, 105mm, 130mm, 137mm, 138mm, 180mm etc pipe
